PRESENTATION

The notoriety of the village and its name are due to the presence of a part of Burgundy's most celebrated white Grand Cru - the famous Montrachet. "Champ Gain" is one of the highest Premier Cru Climats in altitude. Located near the renowned hamlet of Blagny, it is comprised of plots that are longer than they are wide, below the Climat "La Garenne". Its name means "land that has overtaken the forest".

VINIFICATION/AGEING

Handpicking, sorting of the grapes, gentle pressing so as to respect the fruit. Alcoholic fermentation and aging on fine lees in oak barrels (30 to 35% new barrels) for 14 to 16 months.

TASTING

The nose is both fruity and mineral, combining scents of nuts (almond) with lovely freshness that is slightly mentholated. The palate is extremely supple and boasts notes of candied fruit and a long finish evocative of spices. This well-balanced wine combines elegance and power.
